

Go to [the Infectious Disease Information page on the CDC website](https://wwwnc.cdc.gov/eid/) , and select one disease that interests you. Click on the name of the disease to learn more about it and how it can be prevented.

Using what you learned about the disease on the CDC site, create a public service announcement poster about the disease. The main message of your poster should be one of prevention. You may create your poster in Microsoft Word or PowerPoint.
